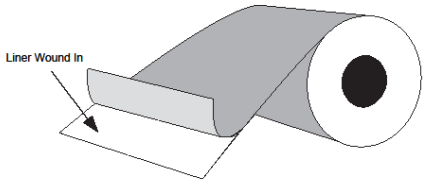
TTL-KT Bamboo Silk

Single Coated Rayon/ Spandex Stretch Fabric with raked pattern adhesive



SPECIFICATION SHEET – TAPE FABRIC (NON-WOVEN)
Available colors: Blue / Black / Green / Red / Orange / Purple / Yellow / Beige / Pink / White

LENGTH	250yds +/- 5%
WIDTH	39" +/- 5%
ADHESIVE STRENGTH	Over 150g/ width: 12mm
TENSILE STRENGTH	Over 150g/ width: 12mm
EXTENSION	25 – 70%

MATERIAL SAFETY DATA

1. Hazards Identification
   - Hazardous Components (specific chemical material): No
   - Specific Chemical Material
   - Formaldehyde: No
   - Arsenic: No
   - Heavy Metal: No
   - Fluorescent Material: No
   - Health Hazardous Effect: No
   - Environmental Hazardous Effect: No

2. Chemical Properties
   - Odor: No
   - Specific Gravity: 1.5
   - Flash Point: 350° C
   - Melting Point: Not Applicable

3. Fire and Explosion Hazards
   - Inflammation Point: N/A
   - Fire and Explosion Hazards: Particular Dust
   - Extinguishing Media: Water, CO_2 or Powder Extinguisher
   - Materials to avoid: Acidic Materials
   - Stability: Avoid flame or hot surfaces

4. Handling and Storage:
    - Handling: no contact with other chemical material
    - Storage: Avoid moisture and store in cool dry place

5. Disposal Considerations
    - It is not harmful to dispose waste in accordance with local regulation

6. Other Information
    - The information above is representative of the best information currently available
